

# VELVET NIGHT

It's an elegant evening in a grand mansion where ladies and gentlemen enjoy high-class entertainment.

## DETAILED DESCRIPTION:

### INVITATION

A few weeks in advance the guests receive an elegant invitation: a perfumed postcard tied up with a piece of a velvet ribbon. The invitation mentions the date and the venue of the event as well as the dress code, which is evening attire with velvet details.

### WELCOMING OF THE GUESTS

Upon arrival, the guests see a red carpet and two huge pots with fire burning placed on both sides of the entrance.

At the entrance valets (event assistants in valet costumes) are serving wine.

Harpists in evening gowns play different pieces ranging from classical to modern ones.

There are luxuriously decorated buffet tables, with hefty candlesticks, sparkling glasses, fresh flowers and other similar pieces one expects to see in a rich mansion.

### OPENING OF THE EVENT

Upon entering the stage, the Host greets the guests and elaborates on the topic of the night and the entertainment that is about to begin. Next, the Company's CEO is invited to the stage for a welcoming speech.

Afterwards, the guests have a glass of champagne. To impress the guests, the pyramid of champagne glasses is built up, and the glasses are filled starting from the one on the top.

## EVENING ENTERTAINMENT

The guests enjoy refreshments and listen to quality music, for example, guitar players or any other musicians that you think would appeal to the company you have.

### **Dance Lessons**

The evening continues with an exquisite performance of professional dancers who demonstrate their mastery of the authentic old dances, such as the Renaissance, the Baroque or any other dances from the period of your choice. Afterwards, they teach the guests the basics of those dances, and when everyone is ready, the professional dancers and the guests perform the final dance together.

### **Chocolate Degustation**

In the venue, there is a spot allocated to expert chocolate makers. The guests are invited to observe the process of chocolate making, try assorted chocolates containing different spices or savor hot chocolate. If the guests are interested, they can learn the basics of chocolate making and create their own sweet masterpiece.

### **Painting**

All evening long the guests are invited to approach the painting that is being created as a joint project and make at least one brush stroke (on a huge canvas, each guest can continue developing his colleague's idea or add something of his own; everyone should have in mind that it is one harmonious painting they want to complete). Later on, this painting can be hung in the main office of the company and serve as a symbol of solidarity and team spirit.

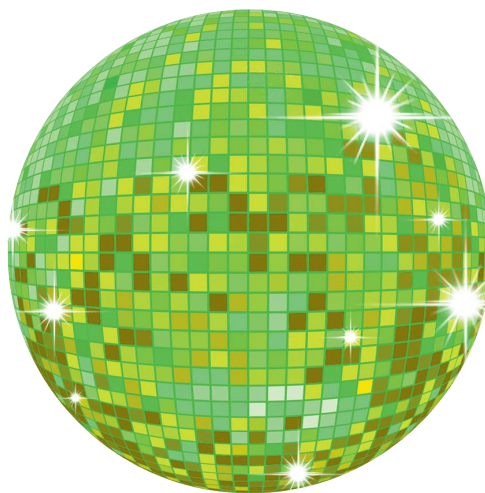

### **Degustation of Cigars and Alcoholic Beverages**

There is another spot in the venue where the guests can try different kinds of cigars and alcoholic beverages all the evening long.

### **The Concert and the Grand Finale**

The evening continues with the concert by a well-known singer and then the Grand Finale – an impressive fire show, which is a spectacular combination of music, dance and fire.

Afterwards, the guests continue enjoying a glass of wine and a dessert or dance in a disco (DJ).
